THE **BEND**
MOTORSPORT PARK

MOTOR RACING CIRCUITS

Inspired by some of the world's most iconic race circuits, The Bend's motor racing circuit is Australia's only circuit to comply with the latest FIA Grade 2 and FIM Category A standards.

The Bend combines technical corners, fast flowing sections and an aggregate rise and fall of 85 metres to ensure exciting racing and an enjoyable drive. The track design is unique in offering seven circuit configurations constructed with all forms of motorsport in mind.

EVERYTHING
THROUGH ONE GATE

THE BEND MOTORSPORT PARK is one of the most significant developments in Australian motorsport history. A state of the art, world-class motorsport facility, The Bend will deliver an exhilarating experience for competitors, enthusiasts and spectators alike. We hope you enjoy it as much as we've enjoyed creating it.

The challenging 7.77km long GT Circuit is the second longest permanent race track in the world (second only to the Nordschleife, Nurburgring).

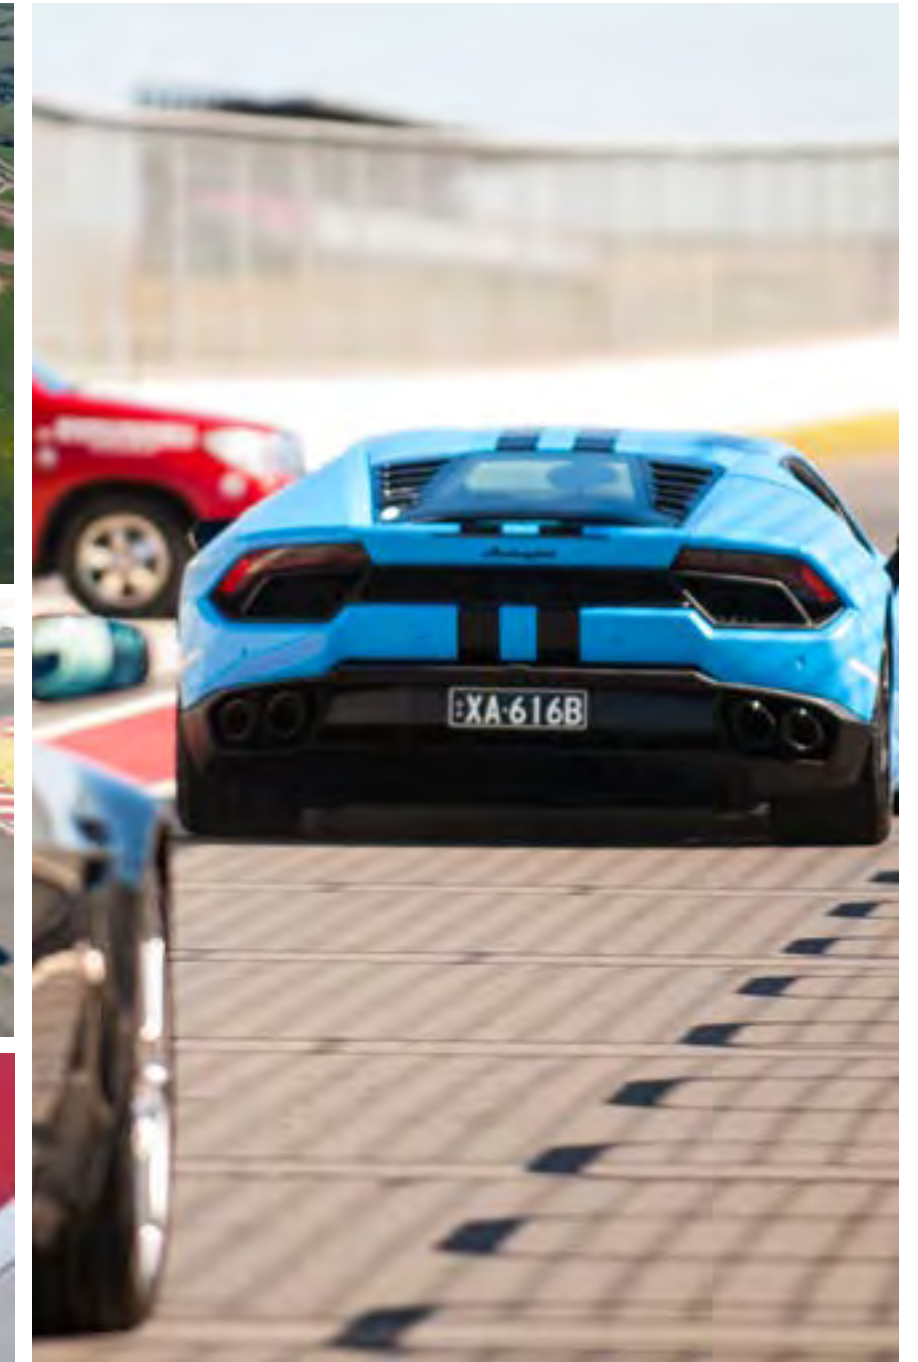

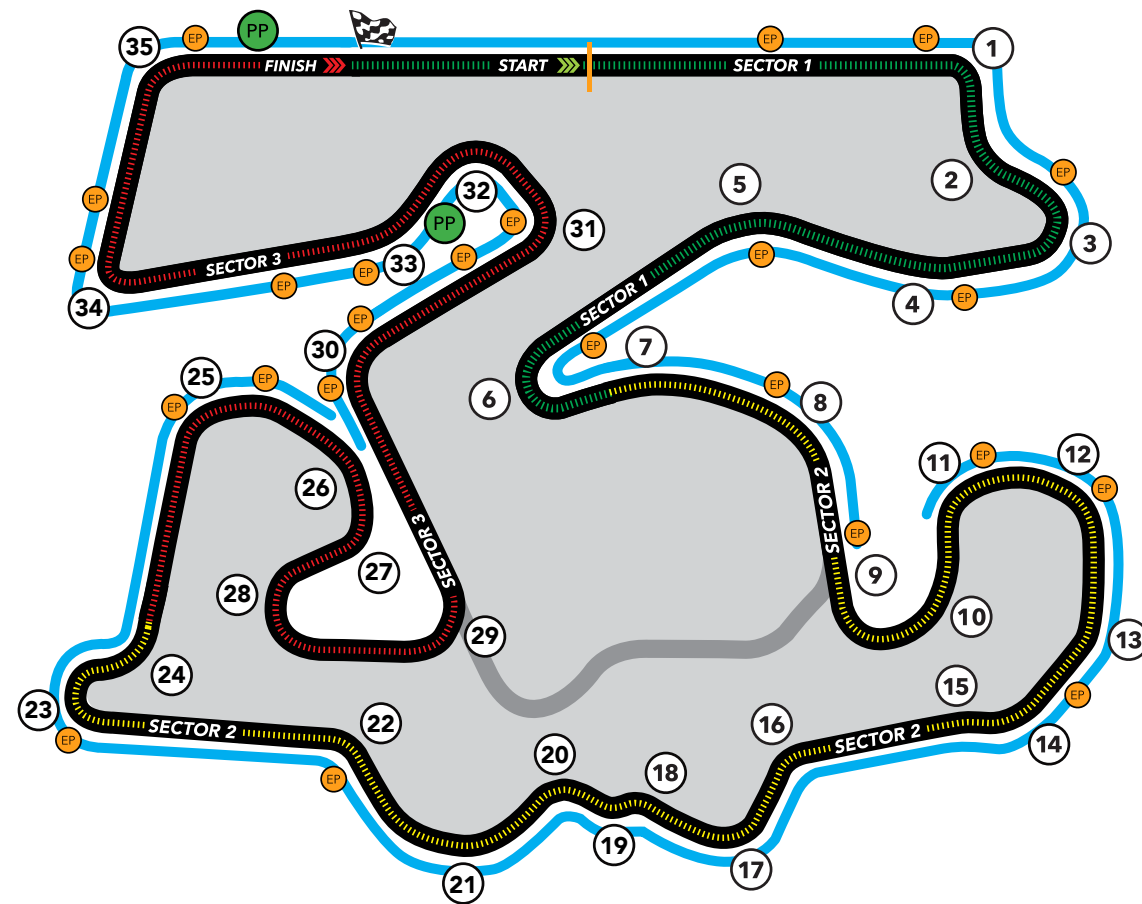

It's suitable for GT and endurance racing as well as the perfect driver experience.

FEATURES

- Turns: 35
- Garages available to hire
- Timing screens for hire
- Catering available
- Shower, Toilets and Change rooms available
- Overnight Accommodation available
- CCTV 24 hours security
- FREE WI-FI access

FUNCTION ROOMS WITH GARAGES

TWO UNIQUE SPACES IN ONE

Credit: Camber Collective/Porsche Cars Australia

THE KARTDROME FACILITIES

The Bend Motorsport Park's Kartdrome Circuit is a multi-purpose facility, built specifically for karting, drifting and rallycross. The venue is also ideal for rallycross and driver training. Additionally, the multi-function race control building includes function and meeting rooms, cafe and spectator viewing areas.

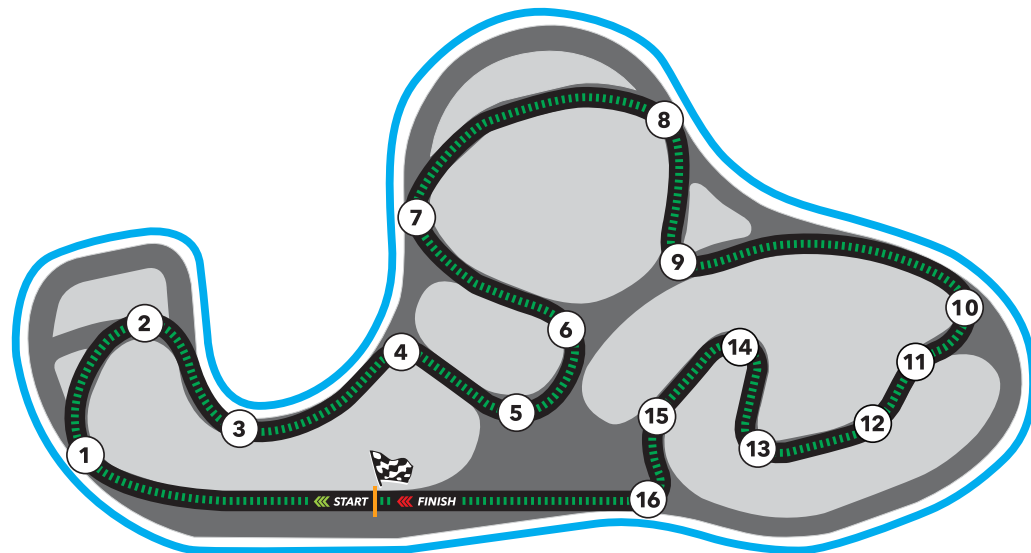

FEATURES

- Track Length 1171m
- Turns: 16
- CIK FIA Approved
- Multiple configuration, Drift, Rally X, Motard
- Large conference room
- Sheltered out grid
- 20 covered car bays with lights & power
- Full bitumen paddock with tie-down points
- Race control room with Alitrap light system
- PA System

KARTING

HAVE THE BEST OF BOTH WORLDS

The Karting circuit is a world class facility offering both competitive and fun driving experiences. The design of the 1.1km long circuit is to CIK-FIA international standards. It features fast and technical sections as well as undulations.

DRIFTING

PRIVATE HIRE & COMPETITION

The drift track is a purpose designed track within the Stadium Circuit. This dedicated drift facility is one of a kind in Australia, featuring many different layouts and unique elements designed for national events, Matsuri and local competition.

The first layout is a fast, challenging and flowing course. The second is a very technical course with off camber sections. Both variants are configurable. The drift track in total will feature approximately 2.2kms of roads, generally 6m wide and with a range of configurations. This allows for two drift events to be run simultaneously. It was designed in consultation with various local and international competitors.

FEATURES

- Track Length 1171m
- Multiple configuration, Karting, Rally X, Motard
- Large conference room
- Sheltered out grid
- 20 covered car bays with lights & power
- Full bitumen paddock with tie-down points
- Race control room with Alitrap light system
- PA System

FOUR WHEEL DRIVE, RALLY & OFF ROAD

The 4WD Adventure Park provides a range of novice to advanced trails, suitable for first-time four-wheel-drive owners through to the most-experienced drivers wanting to challenge themselves in a safe environment.

Serviced by its own function and briefing centre, the Four Wheel Drive, Rally and Off road precinct has set up to be completely self sufficient for hirers looking to hold events and activities including product launches and testing, team building exercises or the most exciting conference you've ever been to!

The function and briefing rooms also feature a viewing deck on top of the building, providing 360 degree views of the four wheel drive, rally and off road action.

The 4WD Adventure Park provides a range of novice to advanced trails, suitable for first-time four-wheel-drive owners through to the most-experienced drivers wanting to challenge themselves in a safe environment.
